Q4/Q1 2022

02 ✖

THE MINT (**XPUNK** coin holders will receive an **XPUNK** NFT for every .5 **XPUNK** coin they hand in. The **XPUNK** coins are burned in the process. Before the minting, a random snapshot/airdrop will take place. All holders of at least 1 **XPUNK** will get 1 of the new token. Same structure, 1 **XPUNK** coin for 2 **XPUNK** NFTs. Everyone that owns .5 **XPUNK** tokens will be able to mint an **XPUNK** NFT)

Launch the first NFT Marketplace on XRPL with existing partners and other early **XPUNK** Friends

Collaborate collaborate collaborate - This community is amazing and **XPUNKS** will be at the heart of it helping other projects and building a long term community.

Gain mainstream media exposure by promoting **XPUNKS** and the amazing utility of XRP and XRPL ecosystem. Promoting the new XRPL ecosystem will bring attention to all XRPL projects and increase innovation.

Exclusive access as we negotiate other punkworthy partnerships.

Continuous branding (memes, anthems & videos)

2022

03 ✖

- **XPUNK** sim game, buy unique NFT land and trade items. Grow your own piece of land **XPUNK** style.
- Launch other projects with exclusive first access rights given to
- Airdrops

We will continue to Brainstorm ideas with the community and as loyal punks, we vow to always take feedback so that we can continue to innovate and collaborate. We love our fellow **XPUNKS** and believe that we can't do this alone. Transparency & fellowship among punks is the way.

XPUNKS Roadmap
